## PROGRAM AT GLANCE

### Sunday, June 16, 2024

15:00-19:30

Balling Hall of the National Library of Technology

16:30-16:40

**Opening ceremony**

16:40-18:00

**Environmental pollution**

**Plenary lecture**

Giulio Zanaroli

(Università di Bologna, Italy)

18:00-19:30

**Welcome reception**

### Monday, June 17, 2024

9:00-19:30

Balling Hall of the National Library of Technology

9:00-13:00

**Green technologies (bioremediation technologies),  
microalgae-based biorefineries, and Phytoremediation**

**Plenary lecture**

Joan García

(Polytechnic University of Catalonia, Spain)

Bin Cao

(Nanyang Technological University, Singapore)

14:00-15:00

**Water pollution & wastewater treatment**

15:00-16:00

**Biodegradation of recalcitrant compounds**

***Plenary lecture***

Tomáš Cajthaml

(Director of Institut of Environmental Studies,  
Charles University, Czechia)

16:40-17:30

**Short oral lectures**

17:30-18:30

**Plastics & Microplastics: Fragmentation, Monitoring,  
Biodegradation, Fate, Recycling**

18:30-19:30

**Poster session with a glass of wine**

**Tuesday, June 18, 2024**

9:00-14:00

Balling Hall of the National Library of Technology

9:00-13:00

**Waste management (waste valorization) & Workshop  
on Circular Economy**

***Plenary lecture***

Petra Patáková

(UCT Prague, Czechia)

11:00-12:00

**Poster session**

12:00-13:00

***Keynote lecture***

Victor de Lorenzo

(Centro Nacional de Biotecnología, Spain)

14:00-18:00

**Horizon NYMPHE meeting**

Closed session for NYMPHE partners

(UCT Prague, building B, hall BI)

17:30-23:30

**Sightseeing Tour of Prague & Social dinner**

## Wednesday, June 19, 2024

9:00-14:00

Balling Hall of the National Library of Technology

9:00-14:00

### Microbial diversity and biodegradation of pollutants

#### *Plenary lecture*

Sara Borin

(University of Milan, Italy)

Rafael Rivilla

(Universidad Autónoma de Madrid, Spain)

14:00-18:00

### Horizon NYMPHE meeting

Closed session for NYMPHE partners

(UCT Prague, building B, hall BI)

## Thursday, June 20, 2024

8:30-13:00

Balling Hall of the National Library of Technology

8:30-12:30

### EU Bioremediation cluster

#### *Keynote lecture*

Nicolas Kalogerakis

(Technical University of Crete, Greece)

12:30-13:00

**Closing ceremony,  
The best poster presentation award**
